Our identity
The International Hellenic University (IHU) is Greece’s first state university where programmes are taught exclusively in English.

With backing from the Greek State and the regional business community, the IHU aims to become one of Europe’s key research institutions attracting leading academics and outstanding students from South East Europe (SEE) and across the world.

Our Strategic Mission
- Provide research and education that meet the needs of the international community.
- Enhance understanding of the economic, socio-political and technological issues facing the region through teaching and research of the highest academic standard.
- Create an internationally diverse student and faculty community inspiring greater intercultural understanding.

Our Facilities
The International Hellenic University campus is specifically developed to facilitate modern learning techniques and is equipped with the latest information technology, as well as an excellent learning resource centre providing a comprehensive, up-to-date selection of books and journals, access to top international on-line databases and other resources, and an attractive study area.

The campus is located conveniently close to Thessaloniki’s Makedonia International Airport. Access to the city centre is easy.
